配置示意图

个数 = 1, 光源个数 = 1

- Technical drawing of the OPT-RI3000 sensor. The drawing shows a top-down view of the sensor with various dimensions labeled. A vertical dimension of 8.09 is shown on the left, and a vertical dimension of 4.3 is shown on the right. A horizontal dimension of 20 is shown at the bottom left. The sensor has a rectangular top section and a stepped base section with two vertical supports. A scale bar is provided at the bottom left for reference.

Minimum Bending Radius:
